- II) **Ms. R** is expected to be a confident, forceful personality, having qualities like committed, loyal, discerning, determined, speak after weighing words and intelligent.

She may have good social contacts, have independent opinions but won't clash with those having opposite ones. She is not likely to easily make friends but once made, become very intimate in a short period. Ms. R may also be one who is materialistic, emotional, powerful feelings, occupies good position in service, intense and dynamic in romance, generous disposition, self-critical, probing, penetrating and protective. Generally calm and quiet but lose temper when aroused

Mr. U K may be drawn to Ms. R because of she being committed, loyal, imaginative, good writer and conversationalist, generous, sensual, appreciates luxury, loves fine arts and dancing, compassionate, high power of concentration, dynamic, magnetic, sensual.

From Ms. R's perspective, Mr. U K is having good stamina, virtuous, skilful, intelligence, high intuitive powers and living life to full.

- III) **On the mental level:** Although the two of them have many basic differences in their mental levels, nevertheless, they are compatible and able to complement each other. The two of them are opposites in many ways. Mr. U K instinctively knows how to share, blend with, and harmonize with people, while Ms. R is more self-reliant and assertive, and often rather inconsiderate of others' needs and desires.

Ms. R instinctively takes charge and tends to run the show, while Mr. U K is often the conciliator and compromiser. Mr. UK depends a great deal on others' approval, often lacks a strong sense of confronting criticism from opposite direction, while Ms. R has stronger preferences and less willingness to accommodate others. Also, Ms. R is rather impulsive and volatile, and is prone to outbursts of temper, while Mr. UK is more rational and often avoids unpleasant emotions, especially anger.

- IV) As per traditional analysis, followed over the last few hundred years, below is the analysis based on your Moon sign and Nakshatra:

- 1. Mental compatibility-** Mental compatibility is average but yes you both have great opportunities to get betterment in this aspect of relationship as You enjoy discussing You kindle each other's imagination and ideals. You work together well in the arts and in humanitarian areas. You have a strong intuitive and often understand each other without need for words. More than that There is desire to know each other give importance to each other's views that is making this compatibility more interesting.
- 2. Wealth-** Compatibility is average / medium good for wealth. So there are average points for wealth. It's not so bad so there is scope to make it better. You can improve your luck with creating harmony around and wealth can be managed by proper plans and managed expenses.
- 3. Sexual-** there is some good energies and that creates spark in this aspect .When the two of you disagree, Mr. UK is the harmonizer and peace-maker, faster to restore the affection and attraction between you, and less inclined to focus on your differences, while Ms. R wants to clear the air, get everything out into the open, and is more apt to force issues Ms. R's openness is appreciated by Mr. UK. If they spend much time together, this can be a emotional relationship.

4. **Children-** This indicates a very similar mental viewpoint and an ease in between the two of them. There is a spontaneous comprehension of each other. Very favorable in the overall picture.
5. **Values and instincts** - There is combination which produces similar values; however, there is often a lack of real emotional compatibility and mutual consideration. In a romantic or marital relationship, sexual jealousy and possessiveness can be a problem. This is a difficult aspect for close personal relationships, but it is often present in them because of the high degree of sexual compatibility it generates at the outset of the relationship.
6. **Instincts are favorable** -They enjoy each other's company, and may share many common ideals and values. There you have ease in your relationship, some ups and down can be there but all will be manageable. Although many of their personal tastes and habits are different, they rarely conflict with each other. Both of them are able to accept each other's personal habits and idiosyncrasies, without feeling like you must force each other to fit your own tastes. This relationship broadens your appreciation of different lifestyles and attitudes. They have a strong sense of acceptance and belonging together.

The total matching as per the ancient Vedic is 17 out of a maximum of 36 and classifies this match as an average but suitable match.

V) Practical and Luck dominated parameters of this match:

1. **Soul matching** - This is a dynamic, energetic relationship you can accomplish a great deal together. However, the aggressiveness of this relationship is prone to foster anger and hurt feelings -so be careful not to incite hostility in each other. There is comparative aspect indicates good energies are sense of comfort and at some level you will be able feel the soul matching essence.
2. **Mental matching** - They encourage each other to be more individualistic and creative and allow freedom of expression it really seems a very good match. When the two of them get together, they make a lot of noise, and there is lots of excitement. There is a strong element of unpredictability and spontaneity as well and they enjoy improvising new ideas together.
3. **Ego and physical attraction:** physical attraction is there Ego problem is visible but quite manageable so you can really make efforts in difficult phases.
4. **Love and affection** - This aspect is looking very good in compatibility; they tend to build up each other's confidence with the help of love and affection. This relationship will always tend to be honest and aboveboard that will add harmony in family.
5. **Intellectual compatibility** – This is an aspect of intellectual compatibility. They work well together putting ideas into action. Both of them enjoy games of mental challenge and competition. They stimulate each other's enthusiasm and resourcefulness.
6. **Wisdom and Spirituality** – There is a mature, stable, responsible tone to their relationship. They will find that their tastes, priorities, and sense of what is really important in life become very compatible. They have enough support of energies to understand each other's view and that will defiantly help both of them to grow Spirituality together
7. **Exchange of vitality and support to each other** – Very positive. They both have really compatible match and that adds more positive energies in this aspect.
